SHIELD

Introducing the Shield, a digital cam lock designed to provide high-quality, modern security solutions. Perfect for retrofitting standard 19mm cam lock cylinders. Crafted from a durable alloy & steel with a satin chrome finish, the Shield seamlessly blends into any environment, whether it's timber, plastic, or metal lockers & doors. The Shield's cam tongue operation guarantees robust security.

The Shield is feature-rich, boasting an 13.56MHz Classic 1K RFID Mifare Reader that supports cards, fobs & wristbands. The Shield's blend of functionality, durability, & modern design makes it an excellent choice for those seeking a reliable & stylish digital locking solution.
