

AUTO OPEN MIFARE CARD CONTACT FREE & TOUCHSCREEN DIGITAL LOCKER LOCKS

KM-3071PP-AO

The KM3071PP AO "Auto Open" Lock is one of KSQ's newest locks to feature contact free operation when used with a RFID card only.

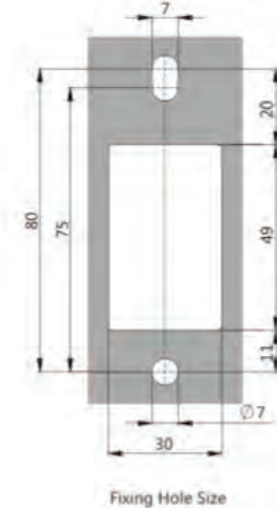

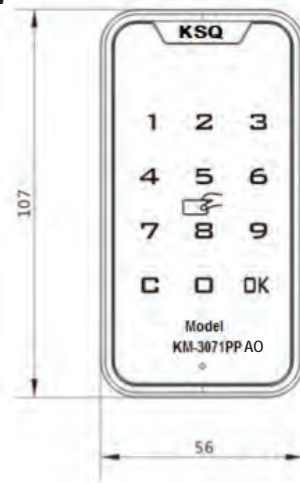

With the integrated Mifare Card reader and Touchscreen this model offers the best of technologies all in the one lock!

The automatic opening feature works when using the mifare card reader or PIN.

The Lock features a modern slimline touchscreen keypad with an integrated card reader offering users the choice of a 4-15 Digit PIN or RFID device for access. Compatible with all Mifare 1K 13.56 MHz cards, fobs, and wristbands.

Black gloss keypad face with satin silver zinc alloy chassis, white ABS Body and battery compartment, anti-friction roller striker plate with a spring-loaded plunger to 'pop door open' when unlocked.

Includes 1 x Emergency Power Bank with Micro-USB connecting cable & 3 x Mifare Programming Fobs with MOQ 100+ Locks.
